### **GRIEVANCE PROCEDURE**

Any grievance by a Stakeholder must be submitted to the Secretary who will forward the grievance to the Board. The Board of Directors shall then refer the matter within fifteen calendar days to an ad hoc grievance panel. The ad hoc grievance panel will be comprised of five Stakeholders who are randomly selected by the Council Secretary from a list of Stakeholders who have previously expressed an interest in serving from time to time on such a grievance panel. The Secretary will coordinate a time and a place for the panel to meet with the person(s) submitting a grievance to discuss ways in which the dispute may be resolved within fifteen calendar days of forwarding the grievance to the panel.

Thereafter, a panel member shall prepare a written report within three days to be forwarded by the Secretary to the Board outlining the panel's collective recommendations for resolving the grievance. The Board of Directors will receive a copy of the panel's report and recommendations within ten (10) days prior to any meeting of the Board. But, the matter shall not be discussed among the Board members until the matter is heard at the next regular meeting of the Board pursuant to the Ralph M. Brown Act.

This formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action by the Board at one of its meetings. Those grievances can be aired at Board meetings. This grievance process is intended to address matters involving procedural disputes, e.g., the Board's failure to comply with Board Rules or these Bylaws, or its failure to comply with the City's Charter, the Plan, local ordinances, and /or State and federal law. In the event that a grievance cannot be resolved through this grievance process then the matter may be referred to the Department of Neighborhood Empowerment for consideration or dispute resolution in accordance with the Plan
