

Anime Drawing Workshop with Carlos Nieto III

About

Join us for a 60-minute drawing workshop as we explore the art of anime.

This free Drawing Workshop is presented by local artist Carlos Nieto III. Nieto has worked in Emmy-winning shows like *The Simpsons* and *King of the Hill*, and has been a consultant for Disney and Universal. Carlos teaches students how to draw an Anime style character using basic shapes and step-by-step instruction so that they may repeat the process later and create their own characters!

Topics covered include how to draw various styles of male and female faces, eyes, hands, feet, and hair, and how to create various expressions for their Anime character. Also covered is how to draw various action poses using circle stencils that will pinpoint the head, torso, and pelvis in those action poses.
