

2nd TOWN HALL MEETING

Save Our Hills and Protect Our Homes

Presented by the Sylmar Neighborhood Council

- What is the California Environmental Quality Act (CEQA)?
 - Why is the County exempt from CEQA?
- Are you aware that you may have purchased a home near a Soil Placement Site (SPS)?
- Who is responsible for damages to our roads, homes, hills and health?
- When will the soil stop coming in from La Canada and La Crescenta?
- What are the short-term and long-term goals for the SPS?

These questions and many more to be answered.
