Dear Mr. Bruce Riordan,

On June 19, 2008 at a Special Board of Directors meeting, the Sylmar Neighborhood Council voted in favor 13-yes, 2-no and 2-abstain in support of the proposed San Fer Gang Injunction presented by the City Attorney's Office.

This decision came with numerous factors to consider and was not made hastily. After two Town Hall discussions, two board meetings, two separate meetings with Captain Jorge Villegas of the Mission Area Police Station and countless hours of research and community engagements; the Sylmar Neighborhood Council came to this recommendation.

We understand that this is a pending restraining order and have been informed by the City Attorney's Office that they would have proceeded with this case with or without our recommendation. We appreciate the inclusion process to be informed, engaged and to disseminate information to our community. We hope this process will continue after the San Fer Gang Injunction is installed and enforced.

On behalf of the Sylmar Neighborhood Council, thank you for your time.

Regards,

Quyen Vo-Ramirez
President
Sylmar Neighborhood Council
