To Los Angeles Department of Recreation and Parks,
Hansen Dam Park Advisory Board.

Regarding: **Letter of Support for the Hansen Dam Flyers**

At the regularly scheduled General Board Meeting of the Sylmar Neighborhood Council on August 27, 2010. The Hansen Dam Flyers came to us looking for support to allow them to use a section of the Hansen Dam Recreation Area, so they may fly non-gas powered remote-controlled Flyer model aircraft. For which they have been doing with respect for the surroundings for decades.

The presentations they gave to both our Land Use Committee and the full General Board, showed the Flyers to be responsible citizens that are making positive use of this outstanding recreation area. Our General Board voted that we support the Flyers with a Letter of Support for the return of the Hansen Dam Flyers to the Park.

It's these kinds of activities that make this one of the best Parks in the San Fernando Valley; The Sylmar Neighborhood Council looks forward to their return real soon to Hansen Dam Recreation Area.

Sincerely,

Quyen Vo-Ramirez
