This Public Safety Meeting was held at the SNC Office at the new 7:00 PM Time

This is a small committee made up of Jay Palmer, Andres Espinola, and newly added Cheri Blose. Thus, a quorum need only be 2 to discuss, approve or disapprove motions.

Public comment regarding the Homeless, RVs, Lane striping, and new Fire Station ensued. A Fire Station draft was presented and agreed that we will edit and ultimately submit to CD7

The meeting showcased many of the property owners surrounding the illegal RV park on Hubbard. The heart wrenching stories of filth, health and safety issues and an owner who did not care were put forth. The press were there in force and the all at the meeting demanded change.

The new PS meeting day and time was announced as **7 PM every second Monday of the month.** (*changed from 6:30PM second Thursday*)

RV discussion relocation letter was to be generated to present to Monica Rodriguez. CD7 Pilot Program? Fire Station Letter was to be written.

Sanitation Letter was to to be written

Sanitation folded into the RV problem and a Sanitation official needed to be contacted

Future agenda items may change do to the Sylmar news cycle and requests from the board and the public.

Closing remarks, and acknowledgements were made, and adjournment was declared at 9:15 PM.
