**Audition for the LA Mission College Theatre Arts
May 2026 production of Luis Valdez's classic musical, ZOOT SUIT.**

Auditions: December 6, 2025

LA Mission College Theatre Arts will hold auditions on December 6 for our Spring 2026 production, Luis Valdez's classic musical, *Zoot Suit*.

Auditions for acting roles will be held on December 6, 2025. Although *Zoot Suit* is technically a musical, there are many roles for non-singers and non-dancers. For a list of roles, audition requirements, and schedule info visit www.lamcstage.com.

Luis Valdez's groundbreaking musical, *Zoot Suit*, premiered in 1978 in Los Angeles, bringing the unfiltered Chicano experience to the community from which it was born. The show uses the mythological figure, El Pachuco, original music by Lalo Guerrero, and swing and mambo dancing to carry this undeniably American tale of culture clash in the 1940s to the Los Angeles of today.

This production, the largest in LA Mission College Theatre's history, is seeking actors to bring Valdez's Los Angeles to life in our AMP Theater.
