The Board of Directors may discuss the recommendations and take action on the item, which could result in a Community Impact Statement to the City and/or a position letter to a City agency.

The Stakeholders may comment on any Agenda item only when the item comes up for discussion. The Committee will determine the length of discussion and comment times. The attending stakeholders may be polled for their opinion on any Agenda item before the Committee takes action for a recommendation to the Board. Comments from the stakeholders on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a stakeholder may become the subject of a future Board meeting.

Any Committee action may be reconsidered following the Meeting when the original action occurred. A Committee Member makes a Motion for Reconsideration and if approved another vote on the issue takes place based on the reasoning for the reconsideration. The Committee Member must have been on the prevailing side of the action/issue.
